

Instructions on Creating a Sculpture

Phase I:

1. Take music classes as if you are a professional
2. Recognize the fact that you suck
3. Listen to the recording of your lessons
4. Keep calm and go practice
5. Embrace your inability to achieve your goals
6. Maybe cry a little bit
7. Say "fuck this shit"
8. Look into the broken mirror that happen to be there
9. Keep calm and continue to practice
10. Try to suck less

Phase II:

1. Sit in your studio on a dreary night and do nothing
2. Doodle, eat a Pringle, and mess with clay
3. Make miniatures to entertain yourself
4. Wait for 7 months and do a wide variety of crap
5. Decide to build a statue version of the miniatures
6. Collect cardboard boxes from your online shopping
7. Cut, glue and try not to kill yourself in the studio
8. Put on pantyhose for your figure and dance with it
9. Add whatever finish you want (metallic glitter is a plus)
10. Claim that you found it from the bottom of the ocean
